

R/C Car Party Program

Races are run after a brief practice time. Computer is used for scoring racers on the most laps in a race. A race consists of sequenced runs of 4-3 minute races. If more than 5 persons are entered, a rotation is set up where the non-race participant is a corner marshal for the race.

Drivers will drive from the drivers stand (just like our regular racers). Please no running of other vehicles on the race track.

Estimated time for up to 6 persons is 1 ½ hours.

(Minimum recommended age for racers is 6 years old)

Cost:

Booking fee of \$25.00 plus cost of additional trophies (booking fees are non-refundable).

Day of race charges- \$12.50 per person.

*Includes trophy awards for 1st, 2nd and 3rd place in race finish. Trophy awards are available for all racers at an additional cost of \$5 per person. Included is the use of Traxxas Slash race trucks and controllers used for party groups and daily rentals.

*Those wishing to bring in pizza, food or cake we ask a \$8 clean up fee (please bring your own utensils, table cloths, napkins and plates).

*Damage caused by negligence or malicious acts, or other behavior not conducive to our store environment will result in termination of the program, violators asked to leave and forfeit of any and all fees paid to Hobbytown of Oshkosh.

***We require at least 2 responsible adults be onsite for groups that include anyone under 18.**
